

The Total Economic Impact™ Of VestmarkONE®

Through four customer interviews and data aggregation, Forrester concluded that VestmarkONE has the following three-year financial impact.

SUMMARY OF BENEFITS

Three-year risk-adjusted

“

It is a much more efficient way to rebalance and to run model portfolios. You want to run a model across many accounts and rebalance efficiently – compared to what we had prior it's been a huge win. Advisors have said to us specifically that this tool has saved them a lot of time over our old architecture.

VP of equity advisory,
Financial services

”

<12 months

VOICE OF THE CUSTOMER

“Having to reconcile over a million accounts every single day – it simply wasn't very doable on our old model. We've decreased the work down to 20% of what it was before.”

Manager of advisory operations, Financial services
